Product Description

Little Big Farm Foods offers two all-natural dry baking mixes for retailers' store brands. The All-Natural Lemon Bar Mix makes sweet and tart bars with a buttery shortbread crust — consumers can add fresh lemon juice for lemon bars, lime juice for lime bars or grapefruit juice for grapefruit bars. The All-Natural Ultimate Brownie Mix contains real chocolate and semisweet chocolate chips, making moist and chewy brownies that are not gooey. Both products retail in 18-oz. bags — which make 20 1-1/4-inch bars or 18 1-1/4-inch brownies — and are made in a peanut-free facility.
