Little Big Farm Foods Introduces 12 New Specialty Baking Mixes

Little Big Farm Foods, Innovators of Specialty Foods, has added 12 new items to its Little Big Farm Foods Brand of specialty baking mixes. New sweet mixes include Carrot Cupcake & Frosting, Maple Pecan Pancake & Waffle, Lemon Cooler Cookie, Chocolate and Vanilla Frosting, plus 3 new Organic mixes (Shortbread, Buttermilk Pancake and Buttermilk Biscuit) and a Gluten Free Buttermilk Pancake. New savory mixes include Pretzel Bread, Garlic Rosemary Biscuit and Traditional Popover.

These additions bring the line of clean label, premium products to 40 SKU's. All are free of artificial flavors, colors or preservatives and are produced at the Little Big Farm Foods factory in Portsmouth, NH. Known for over ten years for the quality of their baking mixes, the new Little Big Farm Foods Organic and Gluten Free Certified items offer remarkable alternatives for all consumers.

The company's CEO, Fern Phillips, states: "We are delighted to launch so many new products this year, and more are coming! Our Product Development Team has worked hard to make sure each is exceptional, easy-to-make and delicious!"

Little Big Farm products are available at the factory store, 199 Constitution Avenue, Portsmouth, NH, select retailers, Amazon and their website www.littlebigfarmfoods.com.

Established in 2010, Little Big Farm Foods is a Women and Veteran-owned company as well as a Recovery Friendly Workplace.
